LIBRARIAN II 818

DEPARTMENT: Williamsburg Regional Library/Circulation Services

NATURE OF WORK:

Under the supervision of the Senior Library Services Director, the Librarian II (Circulation Services) provides reference and reader's advisory services to the public; organizes the department's special services in at least on area; assists with departmental operations; and promotes library services to the community.

ESSENTIAL FUNCTIONS OF JOB:

Provides the public with the information and materials from the library's collections and from other sources by researching and interpreting print, online, and other sources; locating and recommending materials appropriate for patrons' interest and reading levels; evaluating the accuracy, currency, and usefulness of the information or materials; teaching individuals and groups how to use library resources and research methods; recommending materials to read, view, or hear; recommending topics for reports and other assignments; and preparing book lists, library guides, and displays.

Organizes the department's special services in one or more of the following areas: electronic reference sources; print sources; education resources; consumer health resources; outreach; etc.

The Librarian II - Electronic Resources (Circulation Services) works with other departments and organizations in the community to develop and implement a vision for electronic resources at the Williamsburg Regional Library.

Serves as liaison to the Automated Services Department, focusing on issues ranging from routine PC maintenance to long-range technology planning.

Works with the Adult Services Department to plan for future technology needs.

Advises departments on new electronic resources and maintains an awareness of current developments in the field.

Coordinates public and staff training for library electronic resources and basic computing skills.

Serves on the *eClic Advisory Committee*

Manages the library's collection of computer books (004, 025, etc.).

Manages Adult Services Department budget for electronic databases, maintaining contact with vendors and evaluating potential online resources.

Serves as contact for Library of Virginia database program.

Acts as departmental resource for technology related questions.

Performs outreach to the community in the area of information technology. This may include: speaking to community organizations; conducting training/presentations using the Mobile Internet Learning Center (MILC); and working with local schools.

Coordinates the Reference Department areas of the Williamsburg Regional Library web site. Serves on the library-wide *Web Committee*.

Working with the Community Partnership Development Librarian, explores partnership opportunities with area organizations and libraries to expand the provision of electronic resources to Williamsburg Regional Library patrons. This may include working with such groups as the Williamsburg Internet Association, the College of William and Mary, Thomas Nelson Community College, etc.

Develops and implements workshops and training for individuals and groups; researches in-depth reference questions; develops specialized collections, including electronic and online resources; creates instructional materials to inform and promote resources; keeps the community and local officials informed of relevant new information and material; and serves as a library liaison to these segments of the community.

Assists with departmental operations including maintaining, updating, and interpreting departmental and library policies and procedures; scheduling; and solving staff, patron, equipment, and building problems as needed.

Develops and presents library programs such as tours and classes.

Improves the quality of library services through individual and general staff development, including attendance at workshops and conferences; serves on library committees; trains other staff as appropriate.

Monitors patron activities in the library, handing problems as they occur.

Supervises volunteer projects.

Performs other related duties as required.

JOB LOCATION AND EQUIPMENT OPERATED:

The job is located in both library buildings. Administers work in both an office and at a public service desk. At least 50% of the time requires walking, light to medium lifting, reaching, bending, and other limited physical activity; operation of computers is required; other office and library equipment as required. Regular contact is made with library staff, vendors, and the general public.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Extensive knowledge of electronic sources and personal computers.

Extensive knowledge of the principles, practices, and techniques of library services, including reference, reader's advisory, collection development, and programing.

Extensive knowledge of adult literature and of reference sources and research techniques.

Excellent oral and written communication skills.

Knowledge of supervisory principles and skills.

Experience in and commitment to public service.

Ability to work effectively with the public of all ages and other library personnel.

Ability to plan and organize daily work and special projects.

Ability to travel among the various job sites.

MINIMUM QUALIFICATIONS:

Master of Library Science degree, or equivalent training and experience. Public library experience preferred.
